Subject: United Veterans Beacon House, Promise and Parade, SD

Dear Secretary Shinseki,

Well here it is Monday the 16th of December and so much for the Phone call Kevin Secor told me to expect on the 12th of December.

As Stated previously on most of my correspondence, I am in the United Veterans Beacon House, Promise, SD working with Tom O'Connell one of our people.

There is NO cell phone coverage out here as stated so many times, and I have explained over and over again. I made the dates that I would be in SD very clear along with the UVBH House Phone number very clear. I did receive a garbled message on my cell phone from someone in the VA when I went into town. I could not understand the message or who it was from. I travelled to Mobridge only once during the Working Bee due to the adverse weather conditions of -35 with wind chill. It is also advertised on the website that I would be out here on a working bee.

I will be leaving the United Veterans Beacon House, Promise SD on the Morning of the 17th of December and will be on my cell phone after 10am on that day. This leaving is due to the forecast of extreme weather coming in and I wont be home for Christmas.

Like I stated to Kevin, I wont be sitting around in UVBH Promise waiting on his call. Been there, Done That and pretty much the score. Just to be clear, there is NO messages on the UVBH House Phone either. I did leave messages on Kevin's office and cell phones with UVBH phone number.

As Usual no body in the VA is in a HURRY to do anything when it comes to Homeless Veterans or answering the correspondence. We do expect a RESPONSE from you SIR!

Sincerely,

Peter J Forbes
President
